

# GET STARTED

## ① POWER UP

Unpack Libratone Beat, insert power cable and turn on power. Libratone Beat starts in Standby mode and the Libratone Beat logo button color turns to RED.

## ② INSERT TRANSMITTER

Insert transmitter into your iPad, iPhone or iPod.  
*(See the Owners Manual for connection to other audio sources)*

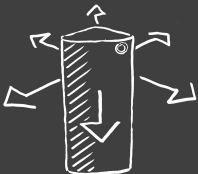

## ③ PLAY

Start your iPod player, locate your favorite music and press Play.

## ④ CONNECT

Press the Libratone Beat logo button to connect to your transmitter. The logo button color will change to WHITE.

## ⑤ LISTEN

Libratone Beat is now playing.  
Walk around or sit back.  
Just enjoy ...
